

ZEN 4 PLUS BLACK

MINI REMOTE CONTROL

TRUE SIZE

MINI REMOTE CONTROL
4 CHANNELS
BIDIRECTIONAL

Manage your spaces with a button

Manage your spaces with a button.

ZEN 4 PLUS BLACK mini remote control allows you to **easily control AVS Electronics alarm system and MyAVS domotics modules**, associating it with 4 functions chosen by the user.

The 4 functions can be set and adapted according to the needs of the customer, for example: **turn the alarm system on and off, open the garage, turn lights on or off, check the shutters**, etc.

It has **a single central button, protected from accidental touches** by a locking system. It is possible to control the activity via 4 LEDs, associated with the functions numbered on the remote control.

Functions and advantages ZEN 4 PLUS BLACK
